

# The Explorers Residential College 2008-2009 Application

The Explorers provides opportunities for first-time Exploratory students to actively engage in major and career exploration through co-curricular and academic support programs in their residence. All first-time freshmen students with an Exploratory major are eligible to apply.

Explorers residents are selected to ensure the community is diversely represented in regards to:

- Current level of exploration & Exploratory major
- In-state and out-of-state resident status
- Academic ability - based on ASU admissions portfolio (e.g., high school GPA, test scores, etc.)
- Expected contribution to the community

To be considered for the Explorers community, you must:

- Be currently admitted to an Exploratory Major
- Submit a residence life application ([www.asu.edu/reslife](http://www.asu.edu/reslife))
- Submit this University College Explorers Application

**IMPORTANT:**

- Students will be notified of their placement in the Explorers community during the summer.
- If you are placed in on-campus housing prior to this notification, you will be moved from your original placement.
- If accepted to the Explorers, you **must attend** the Explorers Orientation (August 24th)
